Think outside the box.

This show bursts at the seams with original variety entertainment. Laura gets the show rolling inside a human-sized hamster ball - how's that for thinking outside the box? Add that to the international award winning juggling, astounding acrobatic stunts, and high flying aerial fabric over 25 feet in the air, and you've got a show beyond compare that will be remembered long after the event.

This is not your everyday one-size-fits-all show.

Imagine a performer that literally bends over backwards to make this show specific to your event. Your product, services, or message are incorporated seamlessly into the show, allowing your message to be heard in a memorable way. Now... stop imagining. Book Laura today and confidently cross "find entertainment" off of your to-do list.
